

## **Key Punch Game**

**Teams should use the following rules to strategize methods to be most successful**

- 1. Team will count in succession from 1-20 one person at a time as fast as they can.**
- 2. Everyone on the team must participate.**
- 3. Must high five the next person in line in order for them to go to the next number.**
- 4. Team members must touch the numbers with their hands, not their feet.**
